PROFILE

- A highly motivated business analyst with a successful track record. Having a strong interest in learning how to enhance business performance, I am dedicated to using my analytical abilities and expertise to help the businesses I work with succeed. I have established a strong capacity to recognize possibilities for improvement and drive change via my expertise in data analysis, requirements gathering, process mapping, project management, testing, and quality assurance. I am committed to contributing to the success of the organizations for which I work.

EXPERIENCE

01/2023 - present	Naapbooks Limited Business analyst intern <ul style="list-style-type: none">• As a business analyst, I successfully performed various responsibilities, including communication and documentation, requirements gathering, process mapping, data analysis, use case development, project management, and testing and quality assurance. Through data analysis, I identified trends and patterns to inform business decisions.
09/2021 - 01/2023	Aqkode Healthcare Solutions PVT. LTD. Sr. Client service executive <ul style="list-style-type: none">• As a Sr. Client service executive in the US healthcare industry, I was responsible for managing account receivables, rejection and denial management, eligibility verification auditing, payment posting, and client level communication. I utilized my strong analytical and problem-solving skills to identify and resolve complex payment issues and improve revenue cycle management. I was responsible for verifying patient eligibility and ensuring that all communication with clients was timely, accurate, and satisfactory.
12/2020 - 09/2021	Crystalvoxx Global LLP AR Executive <ul style="list-style-type: none">• As an AR executive in the US healthcare industry, I was responsible for managing account receivables, rejection, and denial management, I utilized my strong analytical and problem-solving skills to identify and resolve complex payment issues and improve revenue cycle management.
